

# Purify and recharge your spirit for the summer -This year, we need this more than ever! -

From ancient times, the Japanese people practiced 夏越之祓 *Nagoshi-no-Harae*, a prayer to purify and to rid themselves of the first half of the year's 厄難 *yakunan* (illness, accident, injury, fight etc...) or "bad luck" and *kegare*, or "withered spirit". Over the course of the first half of the year, the energy of a person's spirit is diminished by tiredness, stress, and other pressures, so *Nagoshi-no-Harae* rituals are performed every June to cleanse and refresh this energy and recharge the spirit. **Shinto Shrine of Shusse Inari in America provides these traditional ceremonies with mystic rituals that have been passed down through the generations of our shrine.**

One such ritual is the use of 人形 *hitogata* on which have been written the mystic words, "十種神宝 *Tokusa-no-kamdakara*." *Hitogata* are slips of paper cut into the shape of a person, and it is believed that the *hitogata* represents the person concerned. In the *Nagoshi-no-Harae* ceremony, the *hitogata* is thought to carry all of that person's *kegare*.

## [How to use *hitogata/katashiro*]

1. Download and print out *hitogata* and/or *katashiro* from our website.
2. Cut out the *hitogata* and/or *katashiro* along the outline.
3. Write your name, street address (not PO Box) and age\* on the front of *hitogata* and/or *katashiro*.
4. Wipe on the body part one wishes to improve or renew with the *hitogata/katashiro*.

For example:

**To use *hitogata*/Pet *katashiro***, one suffering from knee pain would wipe the *hitogata* on their knee, or, if they wish to be smarter, on their head while saying your wishes like "please heal my knee pain, please be smarter." etc. For pet, rub the pet with the *katashiro* if possible.

**To use vehicle *katashiro***, wipe the steering wheel while you are saying your wishes like "please no accident, no mechanic issues." etc...

5. Breathe upon the *hitogata/katashiro*. (For pet, the pet itself or owner may breathe upon the *katashiro*. For vehicle, owner or driver should breathe upon the *katashiro*).
